

**Team Carol Dugan**

**ALS 5K Walk**

**May 15th 12:00 pm - 2:30 pm**

**Wissahickon High School Track**

Carol Dugan, wife of Ambler Rotarian Sam Dugan and beloved member of the First Presbyterian Church of Ambler was diagnosed with ALS in 2021. The only thing Carol has asked for is her own ALS Walk in the Ambler area.

Help make it an extra special day for Carol and her family!  
The money that is raised will go towards a mission that we can all get behind - a world without ALS!

The first 40 registered participants to arrive at the event will receive a commemorative t-shirt. Water, snacks and FUN will be provided for all to enjoy during this special event!

Registration and Donations can be made on  
Team Carol Dugan ALS 5K Walk Fund Page
