

MAGAZINE MONTH

APRIL 12TH, 2017:

President Cary opened today's meeting by asking us to silence our cell phones. Our song of the day was, "You're a Grand Old Flag." **Diane Schueler** offered today's invocation.

VISITORS / GUESTS:

Dave Lightkep's grandson, **Justin Stull**, was our only visitor.

COMMUNITY IN CELEBRATION (a.k.a. HAPPY DOLLARS):

- **Geff Ries** contributed \$7 in honor of his parent's 70th wedding anniversary. Geff noted that he and Suzanne took them out to dinner and his parents were in bed by 8 P.M. Geff put in a plug for the Rotary Foundation. As this is the 100th anniversary of the Foundation, RI is looking for 100 % participation from every Club. If nothing else match **Arch Klumph's** initial \$26.50 contribution.
- **John Snyder** said that our annual golf outing in memory of **Tom Murphy** will be on a Friday sometime in mid-June at OYRCC.
- **Anne Frank** was happy about something, but it went right over the head of this correspondent.
- **Eric Faddis** noted that the Verizon service at 293 Batleson was not in service today, hence no phone, internet or television until tomorrow between 1-5 P.M.
- **Skip Urban** said that his son **Peter** got married last weekend and went off on a honeymoon – Skip's been extra busy with Peter being gone.

INDUCTION OF NEW MEMBER:

Today we inducted into membership, **Ed O'Brien**, under the classification of Real Estate. Ed was sponsored by **Phil Albright**. Welcome Ed. We look to a long-term relationship with you and anticipate that you will be an active Rotarian.

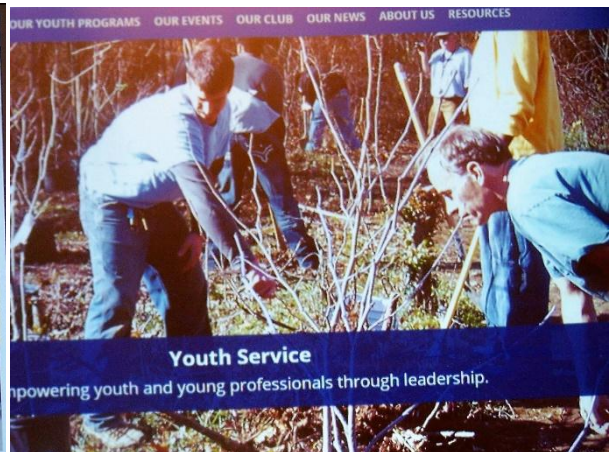

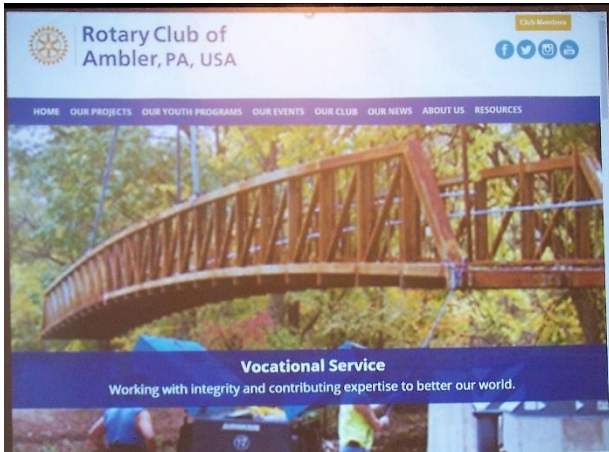

PROGRAM:

Jody Richwagen is our web master and has been for quite some time. We have been working to update our web page for the past several months and Jody walked us through the new layout.

Jody noted that the target age for new members is 35-45 and the site is designed so that you may link articles that you like to social media, i.e. Facebook, Twitter, etc.

One important thing to remember is our on-line directory. All of our members are listed with their photo and contact information. Each of us was assigned an ID and PW. Hopefully you have it written somewhere - that is still your key to entry. Eric noted that if you are looking for the chair of this or that committee, you will find it on our web site and there is no need to call him to find it for you.

If you have anything, such as an upcoming event, that you would like to appear on our Ambler Rotary web site, please get you material, i.e. flyer, to Eric so it can be posted. Thanks.

50/50:

Justin Stull, Dave Lightkep's grandson, drew the white tee and received a free lunch. There were 40 white tees and 1 red tee. Next week's jackpot will begin at around \$600.

SPEAKERS: (*Scott Stimson*) who do you know that you can invite to speak to us? Do you know any professional ball players, actors, TV or radio personalities, or famous people? **Call Scott** at 610-279-1991 or send him an e-mail at sstimson@tompkinsfinancial.com. Let him help you schedule your contact. Remember that our programs are a vital part of each weekly meeting.

ROTARY INTERNATIONAL STUFF:

Rotary Scholar provides access to education for Afghan women

Bethany Lerch is the founding president of the Rotaract Club of Oshkosh, Wisconsin, USA, and a former Coalition Military Advisor in Kabul, Afghanistan. With the help of Rotary members in Wisconsin, the former Rotary Scholar founded the Afghan Education Project to give Afghan women access to advanced degrees in the United States. The project has confirmed her belief that, through Rotary, changing the world is possible.
