PROGRAM:

Assistant Governor Dr. Michael Seidner introduced **District Governor Linda Young**. He described her as a compassionate and devoted Rotarian. **Linda** has been involved in many aspects of Rotary. She was a chair of Rotoplast and a participant in a Rotoplast mission trip. **Linda** is a retired nurse, mother of two daughters and grandmother to twins.

Linda let us know that she would not be reading a speech. Instead she was interested in audience participation. She touched on three crucial aspects of Rotary.

1. Membership. **Linda's** goal for 2016-2017 is to add 100 new members and to start two new clubs. Currently there are 43 clubs and 1,756 members. The best way to attract new members is to just ask. Whenever you meet someone who is not involved in Rotary invite them to a meeting or a club-sponsored event.
2. Foundation. **Linda** wants each member to donate at least \$26.50 to the Rotary Foundation this year. \$26.50 represents the very first contribution to the Foundation. Linda explained how the Foundation supports projects near and far.
3. Service. **Linda** reminded us that Rotary is about service. She discussed the good work Rotary does on mission trips. She was touched by her first-hand experience as a Rotoplast volunteer.

50/50:

Mary McAuliffe (file photo) drew the white tee and received a free lunch. There were 33 white tees and 1 red tee. Next week's jackpot will begin over \$700.

SPEAKERS: (*Scott Stimson*) who do you know that you can invite to speak to us? ROTARY INTERNATIONAL STUFF:

Are you willing to be third class, and serve?

Third class ticket holders have a heart for service. Unlike first and second class, they don't mind getting out and getting their hands dirty. In her blog for Rotary Voices, Rotary member Tiffany Ervin explains why Rotary needs more third class ticket holders.
