JULY 5TH MEETING:

President Paul opened today's meeting by asking us to turn off our cell phones. We recited the "Four Way Test" and then sang "God Bless America." **Lamont Satterly** offered today's invocation and asked us to keep **Leigh DeTato** and her family in our thoughts.

VISITORS / GUESTS:

Our only visitor today was **Joe Chevalier** from the Blue Bell RC and soon to be an Ambler Rotarian.

COMMUNITY IN CELEBRATION (HAPPY DOLLARS):

Cary Fleisher simply deposited \$1.

President Paul read a letter of thanks from **Aaron Glatter** for our support via his Community Service Award.

President Paul asked us to mark our calendars for September 9th for our annual picnic at his and wife **Kate Harper's** house. The picnic will run from 5-9 P.M.

JULY BIRTHDAYS:

We sang "Happy Birthday to **Cary Fleisher, Jack Gomberg, Paula Kadel** and **Mark Wenckus**.
Missing was **Joel Mayor**.

PROGRAM:

Our program today was presented by our friend and fellow Rotarian, **Dick Target**. He followed up yesterday, Independence Day, with his philosophy of the military, war and politics. Dick retired as a Captain in the Marine Corps. He noted that we are still fighting for freedom and we are an example for the whole world.

Dick told us of the toils of training, and some of the horrors of war. He reviewed some of the not pretty statistics of our last several wars and conflicts. During WWII, Korea and Viet Nam, we lost over 500,000 military personnel in combat.

For those of us who never served in our military, we are so proud and humbled by those who have served. We should never allow anyone in uniform pass by without sticking out a hand of thanks - that goes for law enforcement too.

50/50:

Mark Wenckus was the winner of a free lunch and a white tee. Next week's jackpot will be in excess of \$15. There were **51** white tees and 1 red tee.

UPCOMING PROGRAMS: (Chair, Clint Ehlers) OK, who do you know that you can invite to speak to us? Do you know any and let him know about it. Remember that our programs are a vital part of each weekly meeting. We prefer that we don't have sales presentations. **Call Clint at 310-985-1105.**

THOUGHTS FOR THOSE WHO TAKE LIFE TOO SERIOUSLY - THE END:

- What happens if you get half scared to death twice?
- I used to have an open mind but my brains keep falling out.
- I couldn't repair your brakes so I made your horn louder.
- Why do psychics have to ask you for your name?
- Inside every older person is a younger person wondering what happened!
- Just remember, if the world didn't suck, we would all fall off.
- Light travels faster than sound. That is why some people appear bright until you hear them speak.

ROTARY INTERNATIONAL STUFF:

Opening up the world

Growing up in a village near the shores of Lake Victoria in Tanzania, Wanzita Ally was determined not to let her family's poverty interfere with her education. Efforts of Rotarians and the nonprofit Project Zawadi made it possible for Wanzita to study in the United States.
