October Non-Profit Spotlight - Cancer Support Community Greater Philadelphia

Bruce Braunewell is on the board of Cancer Support Community Greater Philadelphia (CSCGP). Bruce shares “there is no other organization in our area that supports those impacted (patients, caregivers, children) by ANY type of cancer, at no charge to members.” They offer over 150 free programs each month! CSCGP offers amazing support without the same level of resources other, larger non-profits have access to.

For more information or to donate directly, check out their website
